

---

We have planned a Marina Facility to be constructed at Bayside and would like to plan for its optimum use: Do you currently own a boat?                     Yes                     No

If so, what size?    Small (under 15 feet)    Medium (15-35 feet)    Longer than 35 feet

Are you interested in utilizing a Marina at Bayside?    Yes                     No

If you answered yes to the last question, would you prefer to rent or own a marina slip?  
 Rent                     Own                     Not sure

Besides a slip, are there any other features you are interested in using at a Marina? Please check all that apply:    Boat Loading Ramp    Dry Storage    Other: \_\_\_\_\_

---

If you have not sent in your first and/or second application, please describe what would help you make your decision to relocate to Bayside:
